(Signature of person authorized to sign)		(Signature of Contracting Officer)	

1. Question: According to the solicitation dated February 5, 2010 for Project No. 10-0068, the drawings on the project have been revised since the previous Request for Proposal. After a review of the drawings, there are no indicated revisions or changes in the revision block of the drawings. Can this information be provided?

Answer: The drawing sheets that changed for the railroad are:

Sheet C6 - Grade Crossing Section View - Deleted one of the drainage pipes in the cross section.

Drawings C9 and C10 call for temporary traffic tape for the temporary roadway markings. The same two sheets clarified that the traffic barriers will not need any type of end treatment.
